

# Technology Package

Monthly Technology Fee for  
**Lane Apartments**

We recognize the power of technology in daily life and strive to create innovative solutions that enhance how our residents live and work. That's why we've customized a unique technology package to elevate your lifestyle and provide seamless opportunities to thrive throughout our community.

## Technology Features

### SmartHome

One app to manage access and atmosphere throughout your home with controlled keycodes, thermostat programming, and add additional smart home features of your own! *(Powered by SmartRent)*

### MyEquity Resident Portal

Stay connected through MyEquity to pay rent, submit service requests, connect with neighbors, find important information about your community, and more!

### Package Services

Smart package lockers and/or rooms to securely store your packages, alert you of deliveries, and available to you 24/7.

The monthly technology fee is a required fee. This monthly amount of \$20 will be added to your resident statement to support the technology features available to you at the community. Please contact the leasing office with any questions.
